Athletes of the Month

**We're proud to support
Lincoln HI Athletics!**

*Trey Buchholz
Senior—Football*

*Laura Leibfried
Senior—Volleyball*

Trey had a great start to this football season. He is a vocal leader on the team and works hard to improve his play as tight end and linebacker for the Rebels led by coach Barry Meyer. Trey is the son of Mike and Julie Buchholz.

We asked Trey a few questions about himself: Favorite Sport—football; Favorite Food—steak; Greatest Role Model—high school coaches; and Most Memorable Athletic Accomplishment—two touchdown receptions in one game!

Laura continues to be a hitting force on the Lincoln HI volleyball team. Her consistent play and hard work are a great example to her teammates. She currently plays middle hitter under the direction of coach Jenai Wright. Laura is the daughter of Kevin and Judy Leibfried.

We asked Laura to share a little bit about herself: Favorite Sport—basketball; and Favorite Food—pickles!
